Petition of NZ Homeopathic Society: Remove Natural Health Products from the Therapeutic Products Act

The Petitions Committee has considered the petition of NZ Homeopathic Society, which was signed by 618 people. It was presented to the House on 15 October 2024 by Hon Simeon Brown, and requests:

That the House of Representatives remove Natural Health Products (NHP) from the Therapeutic Products Act.

The Therapeutic Products Act 2023 was repealed on 18 December 2024. Therefore, the petitioner informed us that it did not wish to continue with its petition, because its concern is no longer relevant.

We have no further matters to bring to the attention of the House. We recommend that the House take note of our report.
